The response to the restriction requirement dated 09/06/2002 is found to be non-compliant. It appears that Applicant submitted two papers, the first elects Group I, claims 1-7 without traverse and then the second cancels claims 1-8 while further amending the process claims. As there are no elected claims presnet, the submitted papers are deemed non-responsive. Please clarify as to what claims are pending and intended to be prosecuted.
